“Our foreclosure listings posted on this page will include pre-foreclosures, short sales, sheriff sales and bank foreclosure homes. All of our foreclosure homes for sale will include price, square footage, property address, home owner's name and contact information, number of bedrooms and baths. We update our foreclosure listings daily.

NOTICE TO OUR VISITORS TO [foreclosurelistings.com](https://www.foreclosurelistings.com)

Our site does not guarantee the availability of any property listed herein. The number of available foreclosure properties in our database varies with market conditions.

Due to the federal moratorium on foreclosure evictions during the pandemic, our supply of foreclosure listings is currently low. Please consider looking at other types of properties available here on our website, such as short sales and pre-foreclosures. These types of properties can offer great opportunities for real estate investment.”

The estimated total of the already distressing amount of 6,200 plus Bank Foreclosures, Pre-Foreclosures, Short Sales, and Sheriff Sales in Jamaica are likely to increase when the “Federal Moratorium on Foreclosure Evictions” is lifted.

Public Schools receiving Title I resources continue to show “Poor or Below Average” performance in Southeast Jamaica.

WE NEED JUST ONE STATE ASSEMBLY REPRESENTATIVE for Jamaica !!!

WE DON'T NEED FOUR crossing 19 Square Miles and 10 Zip Codes! === DISTORTED REPRESENTATION

WE NEED ONE STATE SENATOR NOT 3 to Represent Jamaica.
