To Whom It May Concern,

My name is Mohammad Razvi and I am the founder and Executive Director of the Council of Peoples Organization (COPPO) located at 1077 Coney Island Avenue. I am writing with the urgent request that the IRC allow for our block of Coney Island Avenue between Foster and Avenue H to remain in the 44th Assembly District.

In the wake of 9/11, I founded COPPO in 2002, and have operated from a centrally located office on Coney Island Avenue in Midwood, Brooklyn and assisted low-income immigrant families in reaching their full potential as residents of New York City. COPPO is a “one-stop-shop” that provides free, high-quality, and trusted social services to more than 12,000 households per year. Our food pantry programs help more than 150,000 people each year. COPPO serves a citywide population with most clients coming from surrounding Brooklyn neighborhoods, many of which are from the 44th Assembly District. Our services are targeted to meet the specific language and cultural needs of immigrants from South Asia (Pakistan and Bangladesh).

For the past 30 years, COPPO has been in the 44th Assembly District, but in the IRC’s draft plan released on December 1, 2022, you have drawn our block out of the district and thereby divided the Pakistani community and the greater South Asian community from one another. The IRC map divides the 44th Assembly District at Foster Avenue, severing the Pakistani-American community and cutting key social key social service providers, Makki Mosque, and Al-Rayaan Muslim Funeral Services, Brooklyn’s premier Muslim funeral home. To allow our community to remain whole and maintain our voice and political power, the 44<sup>th</sup> should continue to Avenue H, as indicated on the attached map, which was submitted by Assemblymember Robert Carroll.

Thank you for your consideration

Sincerely,

Mohammad Razvi  
Chief Executive Officer
